Dear.....,

You may not know me and have probably never heard my name before today. My name is Lorilee Hulsey and I am part of the body of Christ Jesus, the church and a child of GOD. My name is unknown. I have typed and sent many letters to differing church organizations and television broadcasting church organizations. And also News broadcasting stations 2, 6 and 8 here in Oklahoma to get this message to the public and Gods children. As part of the body of Jesus Christ. I have a message to give to the people and I am asking for your help. Please look to the painting at the left hand bottom corner of this letter. I have a message to give to the public about the coming of Jesus Christ. My message includes specific scriptures that refer to a cloud. We know when Jesus was transfigured on the mount of transfiguration there was the presence of a cloud and a voice from the cloud spoke to Jesus and his disciples. Luke 9,35 Then a voice from the cloud said .“ This is my son, my chosen one. Listen to him.” When Moses went up the mount to get the 10 commandments there was also the presence of a cloud. Other passages in the old testament tell how God led the children of Israel with a cloud. When God wanted Moses and the children of Israel to stay in a camp the cloud would stay over the tabernacle and the children of Israel would camp at the Lords command. When God wanted them to move to a different camp the cloud would lift off the tabernacle and the children of Israel and Moses would move to another camp. So God led them with a cloud. There are other scriptures in the Bible where there were differing presence of a cloud when a disciple or a prophet was in the presence of God.

This message that God has given to me to deliver to the people will comfort, convict, encourage, strengthen, give them hope and peace and will bring the lost into the kingdom of God. It will prepare and equip them with information they know nothing of, if they have never heard my testimony. The time is at hand and Jesus Christ is coming. God has revealed this to me by the holy spirit through prophecy and vision. I have seen the coming of Jesus Christ and the resurrection of the church. I would like to come to your church or facility to give my testimony to Gods people. It would be best to contact me by **phone only** (918)598-4191 so we can set up a time and date for the meeting at your church or facility. I look forward to sharing this message with you and to the body of Jesus Christ. Your sister in Christ.
